

# Joetsu University of Education

(Niigata Prefecture)

The university provides opportunities for acquiring of advanced expertise and research to in-service teachers who have rich experiences in teaching.

## ◇ University overview

### ○ Outline of Joetsu University of Education

The aim of Joetsu University of Education is to promote not only theoretical and practical studies of school education, but also various practica in educational fields.

The university offers comprehensive studies and trainings for educators: a variety of practical subjects as well as theoretical subjects of each field, and diverse practica for educators.

Joetsu city, where the university is located, is a historical city with full of cultural properties. It is also famous as one of snowy cities with natural beauty in Japan. It takes about 2 hours by Hokuriku Shinkansen: a bullet train from Tokyo.

### ○ Number concerned with international exchange (as of October 2016)

Number of foreign students: 42 from 3 countries

Number of overseas universities and schools which conclude exchange agreements etc. with JUEN: 11 of 7 countries

Number of foreign students participating in the Teacher Training Program: 1

### ○ Number of foreign students participating in the Teacher Training Program (as of each year October)

Year	Foreign students	Students participating in the Teacher Training Program
2015	34	1
2014	33	4
2013	30	0

## ◇ Course for Teacher Training Program

### ○ Characteristics of the program

Since an aim of the Graduate School of Education is to provide the recurrent education including the theoretical and practical studies for teachers, two-thirds of the quota of the graduate students is allocated to teachers in Japan. Thus, the overseas students can exchange their views and experiences with these teachers to lead productive student lives.

### ○ Number of students to be accepted : 5

### ○ Outline of the course

#### Japanese language education

• Six-months intensive Japanese course at Niigata University is required.

If students have the Japanese Language Proficiency Test N2 or the Practical Japanese Test Pre-B level or above, six-month intensive Japanese language course is not required. JUEN offers Japanese and Japanese Study I for the first semester, Japanese and Japanese Study II for the second semester. JUEN also offers Intercultural Communication seminar for the second semester. Supplementary Japanese language course according to student's stage in Japanese is provided.

#### Specialized education

【One year course for students who are NOT required the intensive course】

Students take supplementary courses of Japanese conversation, writing and reading etc. Students enroll respective courses according to their specialities to receive individual guidance by an academic advisor. They present their reports as results of the Training Program.

【One and a half year course for students required the intensive course】

Students take supplementary basic courses of Japanese conversation, writing and reading etc. Students enroll respective courses according to their specialities to receive individual guidance by an academic advisor. They present their reports as results of the Training Program.

• All the students also enroll participatory subjects such as field trips including exchange with people in Joetsu, and educational practicum at elementary schools. They can visit school board as a part of their trainings.

• A Japanese student adviser is allocated to a student. JUEN provides students with experiences of local and Japanese culture and sports.

## ◇ Follow-up for graduates

We provide information to all graduates after completion, with foreign student networks and monthly news letters.

## ◇ Accommodation

The university has an international dormitory in a corner of our campus with richness of nature where Japanese and international students live together.

### ○ Number of rooms / rent

• Single : 15rooms / ¥5,900 per month

• Couple : 3rooms / ¥9,500 per month

### ○ Facilities

• Single :

Kitchenette, toilet, hot water supply facilities, air conditioner for heating and cooling, single bed, desk with drawers and chair, and so on.

• Couple :

Full kitchen, unit bathroom, toilet, hot water supply facilities, air conditioner for heating and cooling, 2 single beds, desk with drawers and chair, and so on.
